Victory Loan Enables You to Change Your Dollars into Blades For the Great Offensive

As we are all aware the Dominion Government early in June proposes to go to the public for a War Loan. The amount involved will be so large that the co-operation and support of everyone is essential.

In order to facilitate the work involved in such a gigantic task the organization necessary to complete the job must be underway. The provincial committee has divided the province, taking the present constituency boundaries as a guide. The Little Bow constituency has been divided into four units. Namely: 1 Champion—Carmangay, 2 Barons, 3 Vulcan, 4 Arrowwood.

In the Champion—Carmangay unit G. L. Depue is unit organizer.

The following are the officers: Chairman, E. H. Griffin, Champion; 1st Vice Chairman, D. H. Russell, Carmangay; 2nd Vice Chairman, J. D. Hagerman, Champion; Secretary, R. D. Farries, Champion.

The Hon. Peter Dawson is publicity committee chairman. Other committeemen are James McNaughton of Carmangay and Clark Rhodes of Champion. The office of the Victory Loan committee for this unit is the council chambers of the M. D. of Harmony at Champion.

As June the 2nd is the date set for the opening of the campaign let us urge upon all in town and country to create atmosphere that will make everyone want to buy Victory bonds. It is anticipated that every canvassing unit will develop a daily ceremony centred around the site where the Pledge Flag is raised. In addition to the Flag there will be a thermometer erected to indicate the progress of the canvassing unit in reaching its quota of subscriptions. More news next week. Keep in mind our slogan "HELP FINISH THE JOB."

Miss Syble Fitzpatrick, of Vulcan, attended the bride and Jack Price, twin brother of the bride, supported the groom.

The newly married couple will take up residence in Winnipeg the latter part of this month, Mr. Hargrave having accepted a salesman's position in that city.

morning session gave a splendid program in song and recital. The parents attended in goodly number and appreciated the work being done by the officers and teachers. At the evening service the minister, Rev. Peter Dawson took as his subject "The Mother of a Statesman." Mr. Dawson was assisted by the Sunday school choir under the leadership of Miss Shirley Taylor. A splendid audience attended this service. The church was decorated with flowers suitable for the occasion.

British Supremacy In The Air Prophesied In 1737

The following lines, translated from Gray's "Luna Habitabilis," written at Cambridge in 1737, are being published throughout Canada as a prophecy which Wings for Britain, a volunteer Canadian fund, located at 215 St. James St. West, Montreal, hopes to help come true. Wings for Britain has been registered under the War Charities Act and is incorporated in Canada to serve as an agency through which all contributions of planes for the R. A. F. may be made:

"LUNA HABITABILIS"
(Cambridge 1737)

The time will come, when thou shalt lift thine eyes
To watch a long-drawn battle in the skies,
While aged peasants, too amazed for words,
Stare at the flying fleets of wonderous birds,
England, so long the mistress of the seas,

Where winds and waves confess her sovereignty,

Her ancient triumphs yet on high shall bear,
And reign, the sovereign of the conquered air.

Every \$22,350 contributed through Wings for Britain purchases another fighter plane to help the R. A. F. gain mastery of the air.

Death of F. W. Truesdale

Frederick William Truesdale aged 71 years, died at Carmangay hospital on Sunday, May 11th, following a stroke.

The deceased was born near Peterborough, Ont., in 1870 and came to Alberta 32 years ago, and was engaged in farming operations at Nobleford for 13 years, later coming to Champion district where he has lived and farmed for the past 3 years. He is mourned by his wife, Sevilla; two sons, William, of Champion, and Albert, of Turin, Alta.; and a brother, George, of Vancouver.

Funeral services were conducted at the United church, Champion, on Wednesday, May 14th, at 2:00 o'clock, Rev. P. Dawson officiating, and interment was in Carmangay cemetery by request of the deceased.

Many floral tributes expressed the esteem in which deceased was held.

The pall-bearers were: E. H. Griffin, R. A. Maxwell, Alva Baker, Neil McLeod, H. A. Bjornson and Ray Wellman.

Dawson motored to Edmonton on Wednesday. They were accompanied by Mrs. O. P. Thomas, Mrs. E. Latiff and W. J. Maxwell.

ORGANIZATION FOR WAR LOAN

The publisher of The Chronicle was more than pleased to receive word that the men of Champion and district were organizing for the forthcoming Victory Loan. This paper pledges its full support to this committee, details of which are being passed to them.

There are several reasons why it is necessary that this war loan go over the top, all of which will be explained to you by canvassers, or your committee. We only wish to ask that you support, not only the loan, but your committee.

Those who serve on the committee do so because they feel a sense of obligation. Do not make their work difficult, but rather give them encouragement. If you cannot subscribe even to the small loan, tell them in such a manner as they will know that you are at least with them in spirit. With everyone pulling with them their task will be much easier.

INVITE YOUR AMERICAN FRIENDS

The government has asked the publisher of this paper to urge the readers to interest themselves in helping the war effort to the extent of inviting Americans to visit Canada this year.

In Ontario back home week (Americans only) is being sponsored by 150 of the newspapers, but in the west individual publishers are being asked to do what they can to sponsor the idea of having visits from Americans during the summer.

Much has been written and

said about the need for American dollars and much more could be said, all true facts. But that is only part of the story we wish to tell the readers. Without starting a newspaper or film campaign, which might look like propaganda, Canada has something to tell Americans about the war effort. We expect, and there are abundant evidences of its fulfilment, that the United States will be giving even greater aid to Britain, but we want now to do all we can to show the true relationship which exists between Canadians and Americans.

Invite your American friends to visit you. We suggest that you sit down right tonight and write that friend in the United States, asking them to come at their convenience to visit you. Do not make your invitation a commercial broadcast, telling them in a round about way to bring their money etc., but a genuine letter of invitation. You can thus aid in the war effort in this way.

A Thought For Today For People At War

"We must look to distant horizons in this war, for it is a conflict not only for the supremacy of our own people, but that the world may be better for all freedom-loving people."—Hon. R. B. Bennett, Chairman, Canadian Red Cross.

CANADA CALLS

Canada has reason to count her blessings in these days of trial.

Canada is three thousand miles away from the sound of guns which are devastating Europe.

The broad Atlantic Ocean rolls between us and the ruthless savagery of the German Armies.

The strongest fleets in the world—British, American and Canadian—patrol the sea between us and the enemy.

We have a great friendly nation, probably the richest and most powerful in the world, at our side.

CANADA CAN AFFORD HER SACRIFICES

This war is a mechanized war.

We have the nickel... copper... lead... zinc and other metals the war industries need. We have access to the iron. We can make the steel.

We have the organized industries to fabricate these metals and make the trucks, and tanks, and guns, and planes, and the ships.

We have skilled workers and the plants for mass production. Canada has the wheat and the food supplies.

Let us count our blessings, and tighten our belts.

Canada is rich—one of the richest countries per head of population in the world. Let us lend our strength to the utmost of our power. Our national future depends upon Victory.

We must win to live.

THERE WILL BE FURTHER CALLS

There have been many calls upon the people of this country for money since Canada entered the war at the side of Great Britain.

There will be further calls.

Let us face the future unafraid.

Canada can carry the load.

But every Canadian must shoulder his and her share.

This is the most critical hour in our history. Let the future historians say of Canada, as they will say of our Mother Country: "This was their finest hour."
